YOUNG SPIRIT KENNEL

PUPPY PURCHASE AGREEMENT

WITH BREEDING RIGHTS

This Puppy Purchase Agreement ("Agreement") is entered into between Young Spirit Kennel ("Breeder") and the undersigned purchaser ("Buyer") at the time the Buyer takes possession of the puppy described below.

1. Puppy Information

Breed: _____	Name: _____
Sex: Male / Female	Color/Markings: _____
Date of Birth: _____	Microchip #: _____
Sire: _____	Dam: _____

2. Purchase Price & Deposit

Total Purchase Price: $_____	Deposit Previously Paid: $_____
Remaining Balance Paid at Pickup: $_____	Payment Method: _____

The deposit shown above was previously paid to reserve the puppy and secure the Buyer's selection/pick order. The deposit is non-refundable and has been applied toward the total purchase price. By signing this Agreement and taking possession of the puppy, the Buyer acknowledges that the purchase price has been paid in full.

3. Registration & Breeding Rights

The Buyer will be provided with the appropriate registration paperwork for the puppy and will be responsible for completing the puppy's registration.

This puppy is being purchased with breeding rights, which were approved by Young Spirit Kennel and agreed upon with the Buyer prior to pickup. Breeding rights are available for an additional cost and are offered upon review by Young Spirit Kennel.

Breeding rights do not guarantee future reproductive ability or that the dog will mature to be suitable for breeding. Any future breeding decisions should be made responsibly with consideration for the dog's health, temperament, maturity, and overall development.

4. Veterinary Care Prior to Pickup

Before going home, the puppy will receive a general veterinary examination to help ensure that the puppy is healthy and ready to leave Young Spirit Kennel. Available veterinary, vaccination, and deworming records will be provided to the Buyer at pickup.

5. Buyer's Veterinary Examination

The Buyer agrees to have the puppy examined by a licensed veterinarian within four (4) calendar days of pickup. If the veterinarian identifies a significant health concern believed to have been present at the time of pickup, the Buyer must notify Young Spirit Kennel within that four-day period and provide written veterinary documentation. Young Spirit Kennel's responsibility for health concerns present at the time of placement is limited to this four-day period. All veterinary examinations, treatment, and related expenses are the responsibility of the Buyer.

6. Health & Future Development

Young Spirit Kennel makes every reasonable effort to place puppies that are healthy at the time they leave our care. Because dogs are living animals, we cannot guarantee lifelong health, lifespan, future development, reproductive ability, or that a dog will remain free from illness or health conditions that may arise later in life.

7. Ongoing Care

Our hope is for every Young Spirit puppy to enjoy a happy, healthy, and well-cared-for life. The Buyer agrees to provide a safe and loving home and appropriate care for the dog's individual needs, including good nutrition, veterinary care, exercise, socialization, and companionship throughout the dog's life.

8. Lifetime Return & Rehoming Agreement

Our commitment to the dogs we raise continues throughout their lives, and we understand that circumstances can sometimes change. If at any time, regardless of age, the Buyer can no longer keep or care for the dog, Young Spirit Kennel asks that the Buyer contact us and return the dog to our care.

To help us ensure that every Young Spirit dog always has a safe place to go, the Buyer agrees not to sell, privately rehome, surrender to a shelter, pound, or rescue, or abandon the dog. A dog returned under this provision will be welcomed back without refund of the purchase price or reimbursement of other expenses.

9. Agreement & Acknowledgment

This Agreement represents the understanding between Young Spirit Kennel and the Buyer regarding the purchase and placement of this puppy. Any exception or change must be agreed upon in writing by both parties. By signing below, the Buyer confirms that they have read and understand this Agreement, have received the puppy and available health and registration records, and agree to the terms stated above.
